Welcome to Lakewoods!

It is a pleasure to have you as our guest in the great Northwoods of Wisconsin. Our family has been operating Lakewoods for over 110 years and has made many friends over the course of those years. We are glad to count you among them.

Our goal is to make your time here the best it can be. Please let us know if there is anything you need. Our entire staff takes great pride in offering the finest service in the Northwoods. Please share with us if there is something that has not met your expectations in any way.

One of our main sources for innovative ideas and increasing our level of service is to get feedback about your stay with us. All of us are available to answer any question or address any of concerns. Thank you for being our guests and have a great time!
